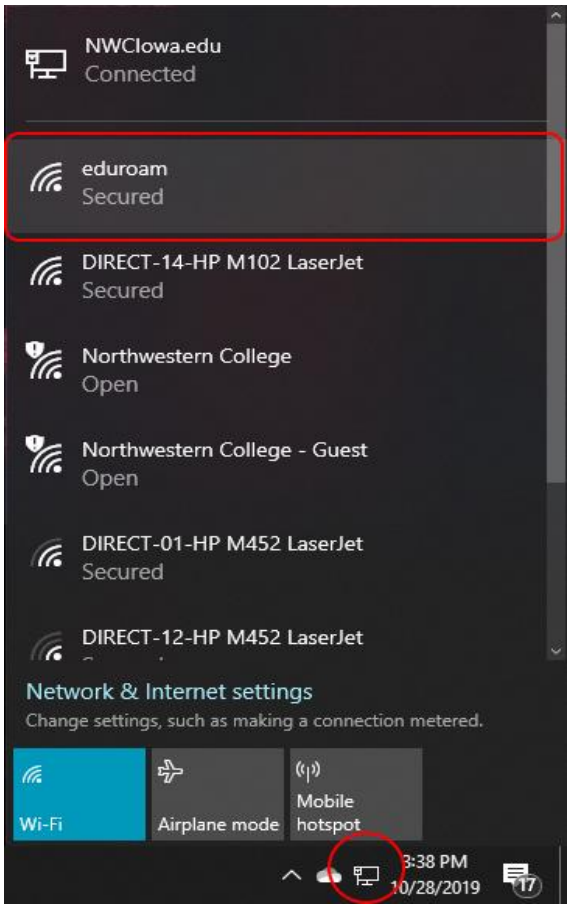
NORTHWESTERN COLLEGE | StandOut

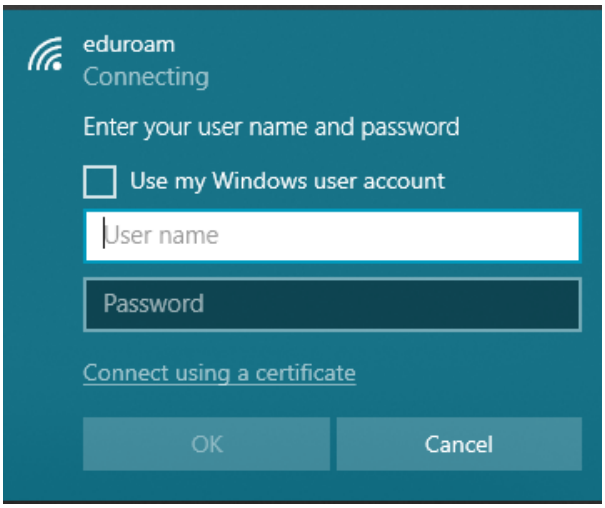
CONNECTING TO EDUROAM ON WINDOWS

Step one: Click on the network icon located on the lower right area of your task bar and select eduroam from the list of wireless networks.

Step two: Click on connect and then when prompted type in your Northwestern username (your.username@nwciowa.edu) and campus password. Make sure you include @nwciowa.edu with your username.

Step three: Click OK to join network. If it fails, please check to make sure your username is in the correct format (your.username@nwciowa.edu) and your password is also correct.





Still having problems connecting?
Call or email the Computing Services help desk at 712-707-7333 or helpdesk@nwciowa.edu.
