### STEP 3 | TESTING APPOINTMENT

To access testing at Orange City Area Health System **select additional scheduling options** or *I'd like to be tested at a local clinic*. Test Iowa will provide you with a **QR Code** that will be required at the testing location, and an email with the participant unique access code number. The QR code is valid at any Test Iowa site. (Options shown on next page.)

The following locations are part of the TestIowa.com process:

**Additional scheduling options**

Select this option to be reminded to check back for more availability or call a local clinic to schedule an appointment

- OR -

**I would like to be tested at a local clinic**

Select this option to receive a QR code to use at a local clinic. You will be required to call the clinic to schedule an appointment.

## STEP 4 | TESTING

You will be tested at OCAHS/Occupational Health (location listed above) and should bring the **QR code** provided from the Health Assessment (either a printed copy or via the confirmation email on your smart phone).

## STEP 5 | TEST RESULTS

Once the Lab Processing is complete and a result reported, you will be notified via email to view the results in the Patient Portal using a unique access code you received when the test was scheduled. This code is unique to you and will allow you to track the testing process. Results will not be sent directly to you—you need to login to the Patient Portal. Please store the access code in a safe place for future reference. Test results will be received in about 72 hours.

## Rapid Tests and Weekend Testing

**Rapid tests are available for faculty, staff and students but are limited to persons who are exhibiting symptoms.** You will need to make an appointment with the main clinic to see a doctor. Orange City's Area Health System's Walk In Clinic may offer rapid tests if they have adequate testing supplies. Both clinics will bill insurance for the doctor's visit and testing. Weekend hours are available (see below).

Orange City Area Health System Main Clinic

Open Monday through Friday, Saturday AM

1000 Lincoln Circle SE Suite 100 | Orange City, Iowa 51041

712-737-2000

Orange City Area Health System Walk-In Clinic (check if rapid tests are available first)

Open Monday-Friday from 5-9 pm; Saturday and Sunday 1-9 pm

719 8th Street SE | Orange City, Iowa 51041

712-707-6070

**If you do not want to see a doctor and would like weekend testing**, you can find testing sites and hours at <https://www.doineedacovid19test.com/>. HyVee in Sioux Center (1951 South Main) is the closest to campus. Please be sure to confirm their testing hours.

**Students who wish to be tested for exposure** should do so during the week at the Test Iowa site. This includes testing before you wish to travel. You can also see a list of testing sites and hours at <https://www.doineedacovid19test.com/>.
